First of all, young body is stronger and more flexible, ~~which~~ gives an opportunity to almost all teens to do sports. Doing sports regularly grants a healthy organism, which is very important, because it can ^{greatly} affect your future life. And it is not ~~and rare in a modern society.~~

~~Secondly, these~~ needed to do a hard sport, which will make you exhausted after your trainings. Teens also can do fitness to keep fit. It is not less effective than any other sport. 65

Secondly, sport can influence ~~people's~~ ^{persons} social life. Either you ~~joined~~ a sport section or ~~started~~ to go to the gym, you can make new friends there. Sometimes, it is very important for teens to make more friends. 36 101

Also, I believe, that ~~teens~~ practising a sport as a teen, can help ~~choosing~~ ~~making~~ to make their future career. For instance, any teen ^{can} become a professional ~~player~~ ^{sportsman}. 26

It is believed that sport is not as important as everyone thinks it is, but I strongly believe that ignoring sport can be dangerous in certain situations. For example, lack of exercises can cause different diseases. 163

To sum up, I want to say, that it is very important to practise sport when you are a teen. It will influence your life deeply and will open new paths to the future. 197

Sport became an important part of almost every person's life. Children and teens regularly do sports in school, adults rarely do sports to keep fit and old people do sports because of doctors' advice. But why is it so important to practise sports when you are a teen?
