It was a fantastic party.

Last summer my best friend Anne invite me to her birthday party. She said that there would be something special. I was waiting for it for all the week.

Finally, that day came. We arrived just in time and there were really many people. It was a huge beautiful building with a dance floor, a bar and a balcony on the second floor. I was so excited, because I'd never been in such places! During all the evening we had fun with Anne and others. At the end of the party we came on the balcony and enjoyed beautiful starry night sky. It was just amazing!

I think, that it's the best day of my life!
