Sport plays an important role in every person's life today. Especially in teens' lives, when their bodies just turning into an adults' ones. In this age, it's important to keep your body healthy and fit.

Firstly, doing sports helps keeping young body in a good condition and keeping it healthy. If you do exercise every morning, you will be active and fit for all day long. If you are doing sports, you won't be sick that often, that your peers are.

Secondly, when you are doing cooperative sports, like playing football or basket ball, you are getting your social experience, you are studying to work in team, you are getting leadership qualities. Besides this, doing cooperative sports can help you to find your life. There was a couple of situations when American school basketball team won a championship and got a scholarship from a well-known university without any exams. So doing sports, when you are teen, can be your real "road to the dream".

Thirdly, doing hard sports, like weightlifting or bodybuilding, will give you impressive results in a couple of months passed. In the gym, besides the cardio, weight and aerobics, you can get a beautiful spotty look. Simple actions, like lifting dumbbells or squats, repeated many times, will give you beautiful and strong body, together with your perfect attitude.

Nowadays sport became not only popular teens' pastime but a way to get new ideas, make your goals realness and fulfill, study new skills and get a spotty look. Sports' importance to the teens now is big as never.
