When Max opened a letter, he was so excited that he started dancing around the room. ~~It was a message from his old friend, Julia.~~
The letter said, that Max won a lottery. The prize was 1000 \$ dollars. To spend this money, he wanted to go to India. So he did it. He packed all what he needed and went to the airport. When he arrived, he took the nearest flight, waited a little, and went to the plane.
So, when he arrived to India, he saw beautiful landscapes. Then, when he just left the plane, he ran to the main market. He looked side to side. After that, he went to the nearest tent to buy something. He looked to the ~~sell~~ seller's face and he was ~~was~~ very surprised. It was his old friend like he, they had been friends during the school. At he recognised him and they went ~~home~~ to their hometown together.
