Writing
 When Max opened the letter, he was so excited that he started dancing around the room. In the letter he found that he won a competition. In a competition you were needed to write a letter about the best thing you have ever bought. And tell why do you think it's the best, where did you buy it and what your class mates think of it. Max's letter was about his new sunglasses. And he won the first place. The prize for the best writing was a journey to Russia. When Max first opened a letter he didn't believe that he is a winner. His grandma was living in Russia, so when he will travel to Russia she is going to meet him. After two days, when he finally arrived. His grandma met him and they went to see the Red Square. This was the first Max's day in Moscow.
