It was a fantastic party. I invited all my friends, but my best friend didn't come, because she was sick. I felt sad about it. When party ~~has~~ started we turned the music <sup>on</sup>. All people felt happy and funny. In the middle of the party we gave a present to <sup>the</sup> girl, who ~~had~~ had birthday. She was really happy. She thanked us and ~~we~~ we continued to dance. But when party was going to the end, people started to leave. When all people left I felt tired, but I ~~must~~ <sup>had to do</sup> cleaning. I really liked that party.
