hello everyone,
 Yesterday I went with my classmates and English teacher was at moon. We met at 8:30 in the morning next to school. We must took camera, pens, paper and bag for special materials from moon with us. Of course, I took my telephone with me. It was fantastic. It is the most beautiful place in which I was. My parents picked up me at 7:00 o'clock in the evening. You must fly to moon!! It is the best place in the world!!
