Part IV

The libraries appeared in ancient China, like a places where Chinese wise people, put their books with wisdom things. These libraries were very popular. Now libraries are popular too.

I enjoy going to the library with my friends, to find some book for our home reading, or books that we need at school. I like ~~the~~ our library because it is very comfortable and useful.

Modern libraries offer to their visitors comfortable armchairs, very big collections of books and big reading rooms, where you can read your book in silence.

I think that libraries would be popular in any time. In future, libraries would become more big, more comfortable. There will be much more books to read. People should read books, without reading, people would be very silly.

I think that libraries are very useful in our life, we need must upgrade and build new libraries. ~~in futu~~
