I was really surprised when I read the e-mail, because I had interesting and kinda cute story.

One time, my friend and I were walking in the park. There were squirrels, and when one of them jumped right on us, we were frightened. But squirrel didn't bite! She just climbed on my hand and asked for some food. My friend suggested to go to the nearest shop and buy some nuts. I tried to take squirrel off, but she climbed to my shoulder. We decided to go like that.

When we entered the shop, all people there looked at me in shock. Even seller looked at me with interested look. When he gave us nuts, the squirrel started eating them. When she was over, she jumped back and touched my cheek by her nose and ran away. I was very happy after that.

Hope my story ^{will} get into your magazine,
Alice
