I was really surprised when I read the e-mail where were
~~was~~ written that I passed the exams. I was full of emotions
because I entered into university of my dream. I was
so happy that I forgot about all my problems and disasters.
Anyway, I want to give you some advice about preparing
to exams. At first you shouldn't worry, because when
you have stress, you can't think well, also you shouldn't
prepare all night because if you wouldn't sleep, ~~the~~
you wouldn't remember anything. You just should relax
and ~~the~~ leave only things, that you don't now. And of
course you should ^{start} preparing as early as it possible.

And you must remember that even if you fail your
exam you always would be able to ~~pass~~ pass it again.
