I was really surprised when I read the e-mail. My best friend Ann invited me for a world travel. When I read the e-mail, I understood that it will be the best travel in my life. I was really excited.

Next day I started to put some clothes in bag and looked for places which we should visit. If I hadn't done it, we wouldn't have such a terrific journey.

On Monday I and Ann met in airport and flew to London. It was the first town we <sup>had</sup> visited. We walked in Bankment square, took a lot of photos and had a good time. So, if you are in London, you should visit its museums. There you can see all the history and interesting monuments. I really enjoyed it. We didn't stay in London for long time, so on Wednesday we arrived in Moscow. There we stayed for two months and had a lot of unusual situations...

But about Moscow, I will tell you later...
