I agree with this opinion, because ~~you haven't to~~ ^{don't have to} do some work and you haven't got noisy boss. You have no problems with money because parents give ~~them~~ ^{it} to you and you don't care about it. You get more love and care from your dad, mother and grandparents and you have them in child hood. You don't think about career for future also you can be a silly child and nobody laughted ^{at} you. You can go out and walk a lot of time. Also you have ^{don't} not to do things ~~we~~ which do some adults.

So ^{child}hood is the best time in our life. If only I were ^a child.
